ENVIRONMENTAL POLICY

POLICY STATEMENT	INITIAL REVISION
	ISSUE DATE: AUG 2018
POLICY-003	Prepared & Approved by: Director

DIRECT DEFENCE SOLUTIONS LTD will ensure that every aspect of our activities is conducted in accordance with sound environmental practices.

We will achieve this by:

- Establishing, implementing and maintaining and continually improve our MANAGEMENT SYSTEM in DIRECT DEFENCE SOLUTIONS LTD within the framework of ACS.
- Minimizing the consumption of natural resources and energy, whilst consuming material goods in moderation.
- Reducing the creation of waste by the adoption of improved operating practices and by the recycling of materials whenever practical.
- Ensuring all waste and effluent is disposed of in a safe and responsible manner.
- Investing in the development of new products and processes that have an improved performance regarding their impact on the environment.
- Complying with environmental legislation.

DIRECT DEFENCE SOLUTIONS LTD aims to foster among its staff, suppliers, customers, shareholders and communities local to its operations and understanding of environmental issues in the context of its business. Our collective task is to ensure that our environmental objectives are achieved and that we continually improve the environmental impact of our total global activities.

By this policy we recognises its responsibility towards protection of the environment, and issues this statement as a commitment of both management and employees to minimising the environmental impact of its operations. We commit to review our policy and objective actions plans on as and when required basis.
