

DIRECT DEFENCE SOLUTIONS LTD

WASTE MANAGEMENT AND RECYCLING POLICY

POLICY STATEMENT	INITIAL REVISION
ISSUE DATE:	AUG 2018
POLICY-010	Prepared & Approved by: Director

General Statement

It is DIRECT DEFENCE SOLUTIONS LTD company policy to ensure a high level of commitment to good environmental policies throughout our business activities. It is our intention to develop this policy by minimising the production of waste, through good purchasing practice of materials used throughout the business and reuse and recycle materials whenever practical to do so.

To help ensure we give proper consideration to our environmental and waste management responsibilities and to assist in the minimisation of waste and the recycling of materials wherever practicable, systems and procedures will be implemented to encourage the recycling of material with a view to minimizing the overall levels of waste we produce. All staff are expected to abide by the following procedures and co-operate with management in the execution of this policy.

Specific Aims

As part of our commitment to protecting the environment and reducing waste levels, we at DIRECT DEFENCE LTD have adopted the following specific aims:-

Cultivate a work ethic with a high level of awareness of waste management, waste minimisation and a desire to recycle and reuse materials when practical.

Promote economy in the use of materials generally and in particular paper and the selection of print formats and document styles in our offices.

Encourage the use of recycled/reclaimed materials; materials from sustainable sources and those that are suitable for disposal by recycling.

Favour suppliers who actively operate according to sound environmental principles.

Minimise waste by encouraging the exchange and reuse of equipment and materials amongst departments and on our construction sites.

Develop waste management strategies that include recycling procedures and schemes.

Encourage employees in our office and on our sites to promote and establish recycling schemes that our relevant to their individual activities.

WASTE MANAGEMENT AND RECYCLING POLICY

POLICY STATEMENT	INITIAL REVISION
ISSUE DATE:	AUG 2018
POLICY-010	Prepared & Approved by: Director

Future Recycling

We are committed to expanding our recycling policy, procedures for recycling other wastes will be developed and implemented in the future, these may include:-

Recovery and recycling of ferrous-based materials. Our policy provides a framework for establishing and reviewing quality objectives to ensure their continuing suitability.

Communication and Review:

This policy is communicated to all stakeholders including authorities and any member of the public via published website, handbook and notice boards and on request.

We undertake to continually review of this policy within the framework of our Integrated Management Systems in our Management Review meetings and on as and when required basis with the overarching aim of conducting our activities in a manner, which does not affect the quality environment and health and safety of DIRECT DEFENCE SOLUTIONS LTD.
